(The one-day opportunity may allow students to participate who previously could not!)

ADD-ON Entertainment:

Plan something yourself or take advantage of activities offered in proximity to each host site - like ice skating, a hockey game, or a Broadway show!

This additional cost for participation will vary by location.

Extend the Experience:

For those traveling a distance, FFA will work to coordinate optional hotel blocks for chapters looking to stay over before or after the event. Chapters do not need to use the block or even stay overnight.
