

Students Getting Started "The First Day"

Purpose: *This guide covers setting up a student profile, enrolling in courses and developing an SAE. Print and use this guide in the classroom to learn important steps to setup a student account and enter information online. Before they can begin, be sure to complete the "Teachers Getting Started Guide".*

Student Name: _____

Step 1: Log In

Go to <http://www.theaet.com>, and click "Student" in the left-side Sign In menu.

Enter the following information:

- ✓ **Chapter Number:** Two-letter state abbreviation plus FFA Chapter number.
Ex: TX0765
- ✓ **Username:** Typically first initial and last name, but your teacher will provide.
Ex: TMurphy for Tim Murphy
- ✓ **Password:** Create a custom password in the Student profile.

Student Login Information		
Our Chapter Number is: _____	My username is: _____	My password is: _____

Step 2: PROFILE: Setup & Keep it up to date!

Note: Use the blanks below to check off these important steps as you complete them.

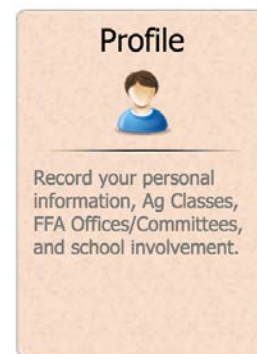

-  "Manage/Edit your personal profile and password"
Complete all parts for a 100% score and a complete FFA Award.

- ___ Review your FFA Member #
- ___ Change your password
- ___ "Edit" your Demographics
- ___ "Edit" your Contact Information

-  ___ "Record your School Ag class schedule"
Essential before your start your records! Your teacher sets up courses.

-  ___ "Manage your Resume information"
The resume builds from record book information, but other accomplishments can be added here.

-  ___ "Experience Manager (SAE)"
Where SAEs are developed, but see Selecting an SAE and Creating the Experience Guide for use of this area.

Students Getting Started “The First Day”

(Step 2 continued on next page)

 ___ “Enter your FFA Offices”
List leadership in FFA.

 ___ “Enter your FFA committee memberships”
List leadership in FFA.

 ___ “Choose your agricultural career pathway”
Select Ag Careers that interest you, and rank them on the right side.

 ___ “Explore your educational and career interests”
Find and select careers of interest.

Step 3: Once you have completed your PROFILE, below are ideas to begin your SAE!

A supervised agricultural experience (SAE) is just another name for a project you do outside regular class with the help of your teacher or another supervisor.

1. Now, **brainstorm** some SAE ideas that describe you and your interests! What is something new you would like to learn about? **Challenge**: create three ideas:

Option 1: I am interested in
Option 2: I am interested in
Option 3: I am interested in

2. Now that you have identified a few ideas for your future SAE projects, visit our [Selecting an SAE Project Type \(AET Experience\)](#) guide to help you get started.

Congratulations, you’re getting closer to start using The AET!
